It is expressly acknowledged that there is no representation of assurance by the Owner to the Camper that this contract will be renewed annually, and absent any written agreement of renewal of this contract for any period, the Camper shall vacate the site at the end of the term. Campsite fees are based on duration of stay and are detailed on Schedule B, included in this contract. Equifax Credit Check will be done for all new Customers.

The Camper hereby acknowledges receipt of and agrees to be bound by the terms and conditions of the rules of the Park as presently in existence, being Schedule A hereto, or as may be reasonably established or at the discretion of the Owner modified from time to time. Amendments to the contract at the sole discretion of the Owner may be instituted with written notice to the camper. If the Camper objects to the amendments to the Park rules, the Camper may, upon written notice to the Owner within seven (7) days of receipt of such amendment, terminate the contract and leave the Park within (14) days of delivery of written notice to the Owner with no penalty. The Camper hereby undertakes and agrees that they will inform any family members and guests, visitors or other persons attending at the Camper's site as to the Park rules. The Camper is responsible for the observance of the Park rules personally or by their permitted family members, guests, visitors or other persons attending at the Camper's site or in the Park with the Camper's permission or knowledge.

USE OF CAMPSITE, VACANCY PERIOD AND 10-MONTH OCCUPANCY: It is agreed between the parties that the intended use for the Site is for recreational and vacation purposes only. The Park is designed and intended for use for seasonal or temporary campground and recreational use only and as such the trailer on site cannot be used as permanent residential or home address. It is agreed by the parties that the actual use of the Site shall be for seasonal, recreational purposes for temporary periods of time only and as further restricted by periods of Park Closure. As well, during any use of the specified site by the Campers, the Campers shall maintain a residential premise elsewhere than at the park, that the Campers have unlimited access to and it is acknowledged by the Campers that zoning for the Park prohibits residential uses of Sites in the Park. It is agreed and understood between the parties that the words "seasonal" or "temporary periods of time "as set out in paragraph 2 above may include periodic or recurrent use pertaining to all seasons of the year, but shall not include use of the Site when the Park is closed, from January 1st to March 1st in any given year. All charges for a deposit, storage, rent, services, etc. are due and payable when invoiced (Schedule B Seasonal Rates is attached). Any failure to remit any payments required under the terms of this agreement and any breach of any of the rules of the Park by the Camper, their permitted family members, guest, visitors or other persons attending the Campers Site, shall be deemed to be a breach of this contract and this contract may be immediately terminated at the option of the Owner. Since the Park is not deemed a residential property under the Residential Tenancies Act, any breach of contract requires vacancy of premises.

SECURITY DEPOSIT: The Camper shall pay to the Owner, upon the execution of this contract, a one time security deposit in the sum of \$ _____ (amount deemed necessary due to the age/condition of the trailer and site contents). The security deposit will be held by the Owner, to be applied to the last month's fees or other amounts owed by the Camper to the Owner. The Owner shall accrue to the Camper, on an annual basis, interest on the security deposit, calculated at the rate established from time to time as the Bank of Canada prime rate for Canadian customers, less one per cent per annum. The said prime rate shall be set for the purposes of the contract at the commencement date of this contract and updated semi-annually thereafter. Refund of security deposit shall be November 30th or 30 days after sale of trailer closes. If a trailer is older than 20 years the Security deposit will be a minimum of \$1,500.

INTEREST ON OVERDUE ACCOUNTS: All charges owing under this contract are due and payable upon accounts being rendered. Non-payment of charges constitutes breach of this contract and interest at the rate of 2% per month shall be charged on monies overdue.

WAIVER, RELEASE AND INDEMNITY: The Camper waives and releases any claims that the Camper may have against the Owner, its officers, employees, agents, or servants arising from any damage or injury incurred by the Camper at the Campsite as the result of any act, on the Owner's part or on the part of its employees, agents, servants, or guests, whether negligent or otherwise. The Camper also agrees to indemnify and save harmless the Owner, its officers, employees, agents, and servants from all claims, suits, actions (and damages arising there from) which may be brought against the Owner, its officers, employees, agents and servants arising in any manner whatsoever at the Campsite from any acts or failure to act by the Camper, or the Camper's employees, agents, servants, and guest.

ASSIGNMENTS: The parties agree that the Camper cannot assign this contract, without the consent of the Owner, and that the Owner may assign this contract. Upon assignment by the Owner, it shall be relieved of any continuing liability to the Camper pursuant to this contract.

ABANDONMENTS: In the event that the Camper abandons the Trailer for a period of sixty (60) or more days, without the prior agreement of the Owner, the Owner may remove the Trailer from the Campsite. The Camper releases the Owner, its officers, employees, agents, and servants from any loss or damages incurred to the Trailer and its contents as a result of such removal. The Camper shall pay all removal costs, storage and miscellaneous charges incurred by the owner. CAMPER INITIALS _____

Owner shall give the Camper 15 days notice of such charges and should the Camper not pay to the owners such charges within 15 days after receipt of such notice, the owner shall have the right to sell the Trailer and its contents and apply the sale proceeds to pay all monies owing by the camper to the Owner. Any proceeds remaining after the payment of such costs shall be paid to the Camper. In the event that this Site shall be repossessed under the terms of this contract any goods including any trailer that the Camper has left on the Site shall be deemed to be an article as defined by the Repair and Storage Liens Act of Ontario, (hereinafter referred to as "the Act"), may be removed by the Owner who shall be deemed to be a lien claimant and storer under the Act, to whatever location the owner deems appropriate and the Owner in such removal and storage will not be responsible for any loss or damage to such goods.
